

## Volunteer Application Form 2018

Hyde Park Unity Day is a volunteer led annual celebration of our local community held each summer on Woodhouse Moor. Volunteers put together a day long programme of fun activities, live music, sport and arts which reflect the diverse interests, cultures and identities of the people who live, work and study in our LS6 neighbourhood. Thank you for helping to make it happen!

### IS THIS ROLE FOR ME?

Stewards and event crew are required to ensure the smooth running and safety of the event. It is a very enjoyable and easy way to volunteer your time and give something back to the community. No skills or experience necessary, just a willingness to help out. The stewards are the eyes, ears and spare hands of the event. You will not be asked to do the job of security, just to alert them if necessary. Shifts will be allocated 11AM-2PM, 2PM-5PM and 5PM-8PM. You can do more than one shift if you want and regular breaks will be given.

### DATE OF EVENT

For various good reasons the date is not publicly announced until 2 weeks before. If you need to find out the date to ensure you are free we can let you know after you have filled in the form.

### STEWARDS BRIEFING

There will be an essential 1 hour stewards briefing on Wed 18 July at 7:30pm in Wrangthorn Hall at Hyde Park Terrace. You will be given an induction and more specific information about the steward's role and responsibilities.

### WHAT YOU GET

A free T-shirt to wear while on duty and to keep (it's memorabilia!), free breakfast or dinner at Unity Day and free tea/coffee/squash all day. We assume that volunteers are local and don't require travel expenses, however if you do incur travel costs please keep your tickets/ receipts and ask us for reimbursement (within reason, e.g. Leeds area!).

There is also a celebration event held soon after Unity Day to get together and thank everyone as a team. Please email your details to [udstewards@gmail.com](mailto:udstewards@gmail.com) or bring the completed form to a meeting or hand to a member of the committee by 16th JULY 2018.
